Subject: Approval of Reclamation Surety Reduction Request, Utelite Corporation, Grass Creek Utelite Mine, S/043/0029, Summit County, Utah

Dear Mr. Mortensen:

The Division of Oil, Gas and Mining approves your request to reduce the reclamation surety amount for the Grass Creek Utelite mine. The surety amount may be reduced to no less than \$8200.00.

This reduction can be done by submitting a rider to the existing surety bond or by submitting cash or a new letter of credit or certificate of deposit. Please contact the Division's bonding coordinator, Penny Berry, at 801-538-5291 or by e mail at [bondcoordinator@gmail.com](mailto:bondcoordinator@gmail.com) for information about submitting a new bond or a rider. Other questions may be addressed to me at 801-538-5261 or Leslie Hepler at 801-538-5257.

Sincerely,

Paul B. Baker  
Minerals Program Manager
